Moon Landing 40th Anniversary

Some moments are indelibly etched in a generation's memory. Like the now-classic promise of „one small step for man; one giant leap for mankind“ spoken by Neil Armstrong as he first stepped onto the surface of the moon July 20, 1969.

Zippo renews that historic memory with the Moon Landing 40th Anniversary commemorative lighter. The granular Galaxy finish, exclusive for this lighter in 2009, sparkles when it catches the light like stardust caught in a moonbeam. The art is laser engraved to the media finish base lighter, resulting in a metallic silver image.
