2012/13 CHOICE CATALOG

Choice Collection

In 1932, one man had a vision to build the world's best lighter. George G. Blaisdell formed raw brass into a rectangular case, tooled and assembled 22 parts in 108 manufacturing processes, and created the iconic Zippo lighter. Since then, a succession of nearly 2,500 craftsmen and women has turned out over 500,000,000 Zippo lighters in Bradford, PA.

For one day only - June 5, 2012 - every Zippo lighter made in our factory received a custom bottom stamp commemorating production of the 500 millionth lighter that same day. The die used to create that bottom stamp was then pulled from production and placed in the Zippo/Case Museum along with the milestone lighter.

Choice Collection

On June 5, 2012, after hitting our 500 million lighter milestone, nearly all of Zippo's production for the remainder of the day was dedicated to these two lighter models. Each was serialized with a unique number. Each includes the date and a special bottom stamp that was used only on this one day, then retired to the Zippo/Case Museum.

REPLICA EDITION

Classic brushed chrome lighter with two-tone engraving replicates the 500 Millionth Zippo lighter, produced in Bradford, Pennsylvania on June 5, 2012. It is engraved with an individual serial number on the front, and distinguished by a unique bottom stamp used exclusively on Zippo lighters produced on June 5, 2012.

The Replica Edition is packaged in a custom gift box.

Choice Collection

The Limited Edition lighter is packaged in a custom folio box with oval brass "blank", the first step in making every Zippo lighter. Each lighter begins as a "blank" that is drawn, stamped, trimmed, welded, plated, buffed, and decorated to turn it into the iconic Zippo lighter. This commemorative "blank" is stamped with the same 500 Million Armor bottom stamp as the accompanying lighter.

This commemorative set is limited to only 10,000 pieces for worldwide distribution.

LIMITED EDITION

Limited Edition collectible honors the 500 Millionth Zippo lighter produced in Bradford, Pennsylvania on June 5, 2012.

The deep carved and laser engraved high polish chrome Armor lighter is stylized with rich gold colorfill, a gold-flashed brass insert, and individual serial number on the front. Like the 500 Millionth lighter and every Zippo lighter produced on June 5, 2012, this commemorative lighter is distinguished by an exclusive bottom stamp used only on that day.

Choice Collection
