Unless otherwise stated, every Zippo windproof lighter in this catalog is packaged in the environmentally friendly “one box”, designed to address the growing concern over the depletion of our natural resources. Both the attractive gift box and the cardboard insert are made from renewable materials and are 100% recyclable. The patented “one box” is attractive, easy to handle, and designed to display more of the lighter than ever.

Because we are constantly improving our products, some items may not look exactly as depicted. Prices and specifications subject to change without notice.

Terms and pricing are limited to authorized Zippo sales distributors and wholesalers only. Unless specified as retail pricing, this information is not intended for consumer use.

Worldwide. Some restrictions may apply.
